    class InterQarpe_DuplexBase["InterQarpe::DuplexBase"]
    class Sensors
    Sensors --|> InterQarpe_DuplexBase
```

The diagram illustrates a class hierarchy. At the top is a gray-shaded rectangular box labeled "InterQarpe::DuplexBase". Below it is a white rectangular box labeled "Sensors". A blue arrow points from the "Sensors" box up to the "InterQarpe::DuplexBase" box, indicating that "Sensors" inherits from "InterQarpe::DuplexBase".
